Love cooking, dining and entertaining in a sun-drenched, gourmet kitchen strategically placed at the outside corner of this first-floor living space. This open concept two-bedroom was designed for natural ventilation

to flow through and features oversized windows and a gorgeous eat-at granite island.

A set of full-view glass patio doors at the back of the unit open to a covered patio. An additional full-view glass door offers a private side entrance. Enjoy beautiful views from the great room, dining area and kitchen. A stunning corner gas fireplace is in full view to all areas of this expansive space. The two bedrooms are secluded at the end of a private hall, each with convenient bathroom access. The master bedroom offers a walk-in closet and a large bathroom containing a shower with a bench seat. The second bedroom has a vaulted ceiling and offers easy access to the bathroom across the hall containing a tub/shower combination. In the hallway, find a full-sized washer and dryer combination behind a closet with double doors. A unique bonus space including a deep recessed area is just off the direct access two-car attached garage. Nine-foot high volume ceilings and beautiful hardwood-style flooring highlights the entirety of the space.
